And many more...

NAV templates

CRM templates

Friendly UI

- 1. Navigation bar
- 2. Dashboard with tiles
- 3. Q&A question box
- 4. Help and feedback buttons
- 5. Dashboard title
- 6. Office 365 app launcher
- 7. Power BI home buttons
- 8. Additional dashboard actions

Data export

- Native apps for iPad, iPhone, and Windows devices
- Receive alerts to important changes in your data
- Share and collaborate with colleagues and take action
